I pledge to uphold the principles of C189, and protect and promote the rights of domestic workers in my home and community, by taking the following actions:

I will ensure fair wages are paid to domestic workers in my home (at least the minimum wage) and that domestic workers in my home have reasonable work hours and time to rest.

I will negotiate the terms and conditions of employment with any domestic workers in my home, ensuring a mutual understanding through a written agreement.

I will ensure that domestic workers in my home have access to decent healthcare.

I will actively ensure a work environment that is free from abuse, harassment and violence.

I will ensure that domestic workers in my home enjoy decent living conditions and a safe, secure and private bedroom.

I will ensure that domestic workers in my home are able to spend their free time wherever and however they choose.

I pledge to uphold these rights in my home and community.
